KMTA-WHAT'S HAPPENING AROUND THE STATE?

Kentucky Music Teachers across the Bluegrass State have many things happening that would be great for the rest of us to know about. Teachers and their students are involved with recitals, conferences, competitions and receive many awards and recognitions. Perhaps you have a new teaching strategy or other ideas you would like to share. The "What's Happening Around the State" page is the place for your local association to submit this information. Please use this form to facilitate your submissions and send to the KMTA 2nd Vice-president who will then make that information available for the website and the newsletter.

You may email your information to: Nina Belle Durr, KMTA 2nd Vice-President at the following address: ninabdurr@bellsouth.net. Please put in the subject line "KMTA-What's Happening Around the State".

WHAT'S HAPPENING AROUND THE STATE?

NAME OF LOCAL ASSOCIATION_____

TEACHER NEWS*: (Recitals, recognitions/awards, conferences, leadership positions, teaching strategies, new ideas, general information you would like to share)
