

2012-13 KMTA Teacher Workshop Proposals

KMTA is currently updating its listing of individuals interested in presenting workshops, lectures, demonstrations, etc., to local associations scattered throughout the state for the 2012-13 year. A wide range of topics is sought for the listing and interested individuals are encouraged to submit program proposals on a variety of subjects related to but not limited to performance, literature, music theory, music history, pedagogy, or the psychology of teaching.

Individuals interested in submitting proposals should complete the form below that includes information for each potential program. Multiple proposals are encouraged and welcome. This information will be compiled and distributed to local association presidents and program chairpersons as resources for their individual programs next year. Individuals selected to present programs will be contacted directly by the appropriate local association program chairperson.
